

International award for Sappi calendar

Troika Imagineering Works has been honoured with a Bronze medal for its 2007 Sappi Calendar at the recent 2007 Stuttgart Calendar Show, the only South African entrant to take home one of 60 medals awarded out of a pool of 1700 entries from around the world. The calendar, which carries forward the Sappi tradition of showcasing the work of master craftsmen on Sappi paper, features a discerning user of coated fine paper - the photographer. Troika's entry was sponsored by Papersmith & Son, which has co-ordinated SA participation in the event for the past seven years.
