

Reed Exhibitions South Africa makes staff changes

Reed Exhibitions South Africa has made three changes to the personnel on its travel, tourism and sports portfolio. The appointments were made following the World Travel Market Africa (WTM Africa) and International Luxury Travel Market Africa (ILTM Africa) and in the lead up to the FIBO Global Fitness Africa's Trade Summit and Health, Fitness and Wellness Festival.

Megan Oberholzer assumes the role of portfolio director: travel, tourism and sports portfolio from her previous GM role in the same space. Martin Hiller - formerly GM for FIBO Global Fitness Africa - assumes the GM for the travel, tourism and sports portfolio role. Reante Naidoo has been promoted to marketing and hosted buyer GM for the travel, tourism and sports portfolio.
