

Call for motorcycle dealers to stock Vermont Sales products

Tool and accessory company, Vermont Sales, is looking for selected motorcycle dealers to stock a range of its products.

The range will include the Tork Craft collection, Fixman tools, Multicut sharpeners, Keybac, Spring Tool, Flexipads, Nes thread repair kits, and a full range of air brushing brands and products.

“We have a great range of brands and products that are suitable for all motorcyclists. Riding and racing motorcycles all my life I know a number of our products would be ideal for the two-wheel guys. It also provides the dealers with a good solid second revenue stream for their outlets,” says Ryan Hunt, multiple motocross national champion, GP rider, Springbok and international Motocross Vet.

The company will also support all selected dealers with marketing and regular PR, look at promotions and competitions, this will also include website support and social media.
