***Robot Chicken*, season 10, part 2, is coming to Showmax on 29 June!**

The winter is off to a crazy start with the mid-season return of *Robot Chicken* on Adult Swim, the #1 destination for young adults and a leader in original animation. Fans across Africa will get to watch the newest episodes of this global phenomenon on Showmax, starting Monday, 29 June, just 24 hours after the 28 June US premiere!

The new season of *Robot Chicken* forms part of Adult Swim's content refresh on Showmax, where animation enthusiasts can now stream all earlier seasons of the show (season one to 10), along with other favorites such as *Rick and Morty*, *Mr. Pickles* and Genndy Tartakovsky's exclusive series, *Primal*.

Robot Chicken's 10th season milestone continues, not for celebrating its 200th episode of the Emmy® Award-winning show, but for attempting top-secret new formats that break new ground in animated sketch comedy! Um... or something like that. *Robot Chicken* uses stop-motion animation to bring pop-culture parodies to life in a modern take on the variety/sketch show format.

In its decade of existence, the show has attracted A-list pop culture voiceover talent from George Lucas and Scarlett Johansson to South Africa's very own Charlize Theron. The show includes both original characters, and hundreds of parody characters, including the iconic *Star Wars* movies, DC Comics Universe, and now, *The Walking Dead* finally gets its turn with the long-awaited *Robot Chicken Walking Dead Special: Look Who's Walking*, in which the Robot Chicken Nerd encounters an ageing survivor at the Walking Dead Museum.

The six-times Primetime Emmy® Award-winning series debuted in February 2005 and remains among the top-rated original series on Adult Swim. *Robot Chicken* is created, and executive produced by Seth Green and Matthew Senreich, and their Stoopid Buddy Stoodios partners, John Harvatine IV and Eric Towner, also serve as executive producers. Green and Senreich also write, voice and, with Tom Sheppard, direct the award-winning series.

The show's 200th episode will come at the end of this 10th season on Monday, 27 July. Green says they wanted to make

something that was unique, something that was bigger. Something different that felt befitting of this milestone.

Robot Chicken S10 part 2 back-to-back episodes will be available to stream from Monday, 29 June, on the Adult Swim corner on Showmax.
